

MEDIA ADVISORY

**SECUREDATA PRESENTS INNOVATIVE HIPAA COMPLIANT SOLUTIONS
THAT PREVENT DATA BREACHES IN PATIENT PHI**

Los Angeles, CA, February 8, 2019

When: Tuesday, February 12 at 11:00 - 11:30 am
Wednesday, February 13 at 11:00 – 11:30 am

Where: Orange County Convention Centre, Orlando, FL
Level 4, Room W414B
Feb 12 - Interview Room 3
Feb 13 - Interview Room 1

What: Press Conference

Who: SECUREDATA, Inc.

Why: Healthcare data breaches continue to be on the rise. SECUREDATA will hold a press conference at HIMMS19 Exhibition to address the issue. **Michael Vanoverbeke**, Product Management Director, will present the company's innovative HIPAA compliant secure solutions for hospitals, clinics, and research institutions to keep patients PHI safe:

- The newly released hardware encrypted data storage devices - SecureDrive® and SecureUSB®;
- The unique Remote Management feature that allows to control where and when the data can be accessed;
- User Access Data Reporting for simplified auditing and compliance;
- Forensics services for prompt data breach incident response.
